SERVING 250,000 PEOPLE

in Chelan, Douglas, Ferry, Grant, and Okanogan Counties

14,497 SQUARE MILES

Roughly the size of Massachusetts and Connecticut combined!

Each of our libraries provides service to our communities between 20 and 66 hours every week. In combination, that's over

61,360 HOURS PER YEAR

And that doesn't even count the 24/7 access we provide to our digital services!

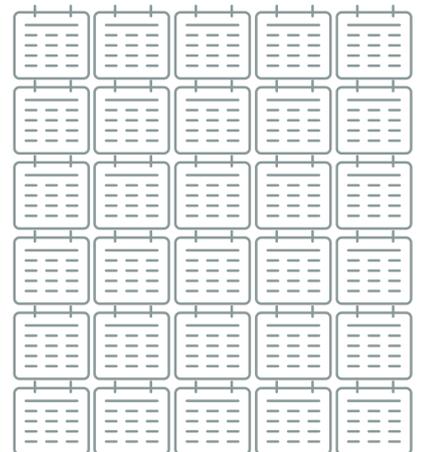

700,000+ ITEMS

It would take over 1,580 years to read every book in our collection if you read (and finished!) a book every day.

If you spent 16 hours a day watching videos from our collection, it would take 30 years to watch them all.
